EDUCATION

Bharati Vidyapeeth's College of Engineering New Delhi, India	Aug 2024 – Aug 2028
Bachelor of Technology in Information Technology Current CGPA: 8.71/10	
Diamond Public School Delhi, India	May 2023
Class XII – CBSE Percentage: 78.2%	

TECHNICAL SKILLS

Languages:	C, C++, JavaScript, HTML5, CSS3, SQL
Frameworks & Libraries:	Bootstrap, Responsive Web Design
Database:	MySQL
Developer Tools:	Git, VS Code, Chrome DevTools
Core Competencies:	Data Structures & Algorithms, Object-Oriented Programming (OOP), Problem Solving, Web Development

PROJECTS

Responsive Portfolio Website HTML5, CSS3, JavaScript, Bootstrap	2026
- Designed and developed a fully responsive personal portfolio website showcasing projects, skills, and contact information. - Implemented mobile-first design, Bootstrap grid system, custom CSS animations, and JavaScript contact form validation.	
SafeStep – Smart Platform for Safer India React, AWS, Node.js, MongoDB	2025–26
- Built a smart disaster preparedness platform to track and manage disaster training activities across different regions. - Implemented QR-based attendance, offline data collection with AWS auto-sync, and an interactive real-time map dashboard. - Added instant report generation and regional insights to identify undertrained areas and guide resource allocation.	
E-Commerce Product Landing Page HTML, CSS, JavaScript, Bootstrap	2025
- Created an interactive product landing page with dynamic gallery, JS image carousel, and modal pop-ups. - Optimized performance via CSS/JS minification and lazy loading; applied SEO best practices with semantic HTML.	

ACHIEVEMENTS & ACTIVITIES

- Problem Solving:** Solved many DSA problems on LeetCode focusing on arrays, strings, and linked lists.
- Technical Learning:** Completed online courses in Frontend Web Development and Data Structures (C++).
- Team Collaboration:** Participated in college hackathons and coding competitions, delivering projects under tight deadlines.
- Open Source:** Actively contributing to open-source projects on GitHub to enhance skills and collaborative development.
